ADDITIONAL INFORMATION

Disclaimer

Note:

The information provided in this Technical Data Sheet (TDS), including the recommendations for the usage and the application of the product, is based upon our knowledge and experience of this product at the date the TDS was issued. The product may present different types of application and different application and operating procedures in your environment that are beyond our control. Consequently, Henkel cannot be held liable for the suitability of our product for the production processes and the conditions in which you use it, nor for the expected applications and results. We strongly recommend that you carry out your own prior checks and tests to confirm the suitability of our product.

No liability is accepted for the information contained in the Technical Data Sheet (TDS) or any other written or oral recommendation concerning the product unless such liability is otherwise expressly accepted, except in the case of injury or death due to our negligence and except under the legal provisions regarding product liability.

For products delivered by Henkel Belgium NV, Henkel Electronic Materials NV, Henkel Nederland BV, Henkel Technologies France SAS and Henkel France SA, please note in addition that: In the event that Henkel's liability is nevertheless invoked for any legal reason whatever it may be, this liability cannot in any case be superior to the amount of the delivery concerned.

For products delivered by Henkel Colombiana, S.A.S., the following disclaimer applies: The information provided in this Technical Data Sheet (TDS), including the recommendations for the usage and the application of the product, is based upon our knowledge and experience of this product at the date the TDS was issued. Consequently, Henkel cannot be held liable for the suitability of our product for the production processes and the conditions in which you use it, nor for the expected applications and results. We strongly recommend that you carry out your own prior checks and tests to confirm the suitability of our product.

No liability is accepted for the information contained in the Technical Data Sheet (TDS) or any other written or oral recommendation concerning the product unless such liability is otherwise expressly accepted, except in the case of injury or death due to our negligence and except under the legal provisions regarding product liability.

For products delivered by Henkel Corporation, Resin Technology Group, Inc., or Henkel Canada Corporation, the following disclaimer applies:

The information contained in this document are provided for informational purposes only and are considered as reliable. We cannot be held liable for results obtained by a third party using methods over which we have no control. It is the user's responsibility to determine the suitability of any production method described in this document for their needs, and to take all necessary measures to ensure protection of people and property against any risks that may result from the implementation and use of products. Based on the above, **Henkel disclaims all warranties expressed or implied, including warranties related to fitness for sale or suitability to a particular need, resulting from the sale or use of Henkel products.**

Henkel notably disclaims any prosecution for incidental or consequential damages of any kind, including financial business interruption losses.

The description of processes and compositions in this document cannot be interpreted as them being free from any patents held by a third party nor of a patent license held by Henkel that may cover such procedures or compositions. We recommend that the prospective user verify the intended application before carrying out a repetitive application, with the present information considered as a guide. This product may be covered by one or more patents, licenses or patent applications in both the USA and other countries.
